

# Wild Olympics (WA)

## Protect & Enjoy

Wild Olympics (WA): Our Wild Olympics legislation continues to remain a priority and the bill was introduced again this Congress by our Champions, Senator Patty Murray and Representative Derek Kilmer.

# Smith River (OR)

## Protect & Enjoy

Smith River (OR): We celebrated a success on the Smith River this past year in securing a 20 year ban on new mining claims. Some members of Congress have an interest in challenging this ban and we will continue to remain vigilant.

# Sunset Falls, Skykomish River (WA)

## Protect

**Sunset Falls:** The Sunset Falls hydropower project is a new proposed project on the Skykomish River. We continue to remain engaged in conversations with the utility over this project which would be the first major project on a free-flowing river in decades. We have several concerns with the project.
