

# COVID-19 Information for Essential Workers who travel to Plumas County

Traveling to Plumas County for work? Please follow all recommendations.

Go to : [covid19.ca.gov](https://covid19.ca.gov) and click on "essential job" to determine if you are an essential worker

**Any travel outside your home, even for essential reasons, carries some risk. When you interact with others you could become infected or you could unknowingly bring the virus back home with you.**

- Only go into public when necessary for food and supplies. Limit the amount of times you are in public by purchasing enough supplies for the duration of your stay.
- Practice social distancing when in public and as much as possible on the job site. Social distancing means being 6 feet apart from others.
- Practice good hygiene by washing hands frequently and using hand sanitizer.
- Wear a face covering while in public as it is mandatory in Plumas County.

**Please be respectful of others and follow the recommendations issued by Plumas County Public Health**
